

SYNTHETIC FIR / POLICE REPORT

Case ID: CL-001 | Case Name: Operation Blue Lantern

On 2026-09-08 at approximately 21:30, an incident was reported at Northgate Warehouse, Bengaluru. This document is synthetic demonstration data created for testing the CrimeLens evidence-ingestion pipeline.

The report states that a white hatchback bearing registration KA01AB1234 was observed near the warehouse. A person described in the report as Rahul Mehta was reportedly seen near the location. A second person, Arjun Rao, was mentioned as having contacted Rahul Mehta earlier in the evening. These statements are unverified leads for demonstration purposes and are not findings of guilt.

Referenced entities: Rahul Mehta, Arjun Rao, Neha Sharma, 9000000001, 9000000002, KA01AB1234, Northgate Warehouse, Central Market, East Junction, ACC1001, ACC2001.

Evidence sources referenced: CDR, surveillance report, financial transaction log.
